Post Graduate

Library Technical Assistant

Hours: 5-25 weekly; Supervisor: Kristen Moore, kmoore@stetson.law.edu – **can contact**

- Supervise the circulation desk and answer questions regarding checking in/out books, interlibrary loans, room reservations, and other library questions.
- Catalog, re-shelve, and reorganize library materials and source information for the reference desk and patrons.
- Provide legal and academic reference services through subscribed electronic databases to ensure accurate sourcing of primary and secondary materials for law students, faculty, and legal patrons.

Research and Externships

Equal Justice Works (FEMA)/Disaster Law Legal Externship

January 2023 – April 2023

Hours: 15-20 weekly; Supervisor: Christy Cerniglia and Linda Anderson

- Completed various disaster-law related research assignments for Disaster Law Fellows and attorneys through FEMA's Equal Justice Works organization and outside agencies
- Attended weekly classes to discuss the externship and learn about different parts of the legal field, and met bi-weekly with my supervising attorney
- Worked with different committees to create more transparency within Disaster Law and aid in the creation of a Disaster Law Symposium for Spring 2023 at Stetson Law

Environmental Protection Commission of Hillsborough County Legal Externship

May 2023 – August 2023

Hours: 15-20 weekly; Supervisor: Christy Cerniglia and Andy Zodrow

- Attended multiple meetings every week with the legal team and other sections of the agency to discuss ongoing projects, cases, and necessary updates that needed to be made to the agency's sources
- Completed research assignments and other projects for overseeing attorneys based on active cases or necessary system information updates
- Accompanied in-field inspections for the Hazard Waste, Water Quality, and Land Management teams, which included data collection and interviewing permit holders

Inter-American Sea Turtle Convention

Hours: 10-20 weekly; Supervisor: Katherine Pratt, kpratt2@stetson.law.edu

September 2022 – May 2023

- Compiled, analyzed, and translated data (Spanish to English) regarding sea turtle management and conservation for the years 2011-2022 for the Inter-American Sea Turtle Convention
- Aided in writing a formal report to the Secretariat of the IAC describing the data and providing feedback on possible solutions to higher resolution compliance, interagency communication, and better conservation practices post-COVID-19

Natural Resources Seminar (Course)

January 2022 – May 2022

Hours: 10-30 weekly; Professor: Paul Boudreaux

- Researched natural resource law concerning government entities and private businesses contracting with Native American Tribes across the United States
- Wrote a 35-page scholarly article and presented the paper, dissecting the relationships and contracts between all parties, and addressed the environmental effects these practices had on three main natural resources: water, timber, and fish.

United States Library of Congress – Remote

May 2023 – March 2024

US Reports Metadata

Hours: 10-20 weekly; Supervisor: Jennifer Gonzales

- Utilized metadata creation and maintenance standards to digitize versions of the US Reports from the Supreme Court website to be published on the Library of Congress website.
- Worked with other interns to peer review our work and ensure that proper requirements, such as case names, keywords, and pages, were cited.

Creative Digital Projects

May 2023–August 2023

Hours: 10-20 Weekly; Supervisor: Jennifer Gonzales

- Attended daily meetings and lectures that encompassed different aspects of the Library of Congress and the foundations of legal research
- Researched a legal/law-related topic to write a blog post for the *Legal Custodius* blog on a captivating and interesting topic to be considered for publication

University of South Florida – Tampa, FL

December 2023 – Present

Experiential Learning Coordinator

Hours: 40 weekly; Supervisor: Diane Mellon, dmellon@usf.edu – **can contact**

- Aid students of all higher degree levels in their internship and co-op search, professional preparations, and post-experience reflection through individual meetings and office drop-in hours
- Instruct over 300 students yearly in the Center for Career and Professional Development's internship courses and co-instruct the co-op students with our Assistant Director of Experiential Learning.
- Collaborate with the different teams within the Center to develop, produce, and streamline internship data collection, internship standards, and resources for the students, faculty/staff, and employers the Center serves

Smith Thompson Law – Tampa, FL

August 2021- June 2022

Law Clerk

Hours: 20-35 weekly; Supervisor: Samuel Kusha

- Conferred with overseeing attorneys and partners regarding current caseloads, specific research assignments, and other court-action matters
- Served as a client to attorney liaison by communicating client needs to the attorneys, translating questions and answers from Spanish to English/English to Spanish, and completing required case-related memoranda, interrogatories, requests for production, and complaint packages
